Dear Parents,

School closure in the event of bad weather

Schools typically only close for severe weather if it's unsafe for staff and pupils to travel, the building is damaged or essential services such as heating or lighting are unavailable.

School will be open unless you hear otherwise. We will only notify you if school is closed.

We will text parents as early as possible advising of a school closure day. School closures are also notified on Radio Shropshire first thing in the morning. If the weather deteriorates during the school day, and we need you to collect your child/ren, we will make contact with you by text, email or phone.

We will endeavour to make contact with transport companies to establish whether they are going to run and will communicate this to you however we cannot guarantee that the transport companies can get to all collection points as it depends on the local weather conditions and it is down to the discretion of the driver to assess safety.

You can also check for updates on school closures on the Shropshire Council website here: <https://next.shropshire.gov.uk/schools-and-education/school-closures/> Announcements are also made on Shropshire Radio of school closures.

Yours sincerely,

Alison Davies

Mrs Alison Davies

Head Teacher
